**School Check In:**

**Garden Shots**

- Overall garden shot of lush plants in white beds
- Overall garden shot with school in background (if applicable)
- Close ups of soil and plants and veggies
- Garden shot with a blank space to use for social media (ie. We can write on the photo)

**Kids In the Garden**

- Kids playing and having fun (be sure to get different kids doing the same things for diversity)
- Diversity of children at the school (ie, Latino, African American, etc.)
- Kids listening to the Garden Educator
- Kids pulling veggies or cutting them
- Kids excited to see their veggies pulled out of soil
- Kids with hands in the soil, planting seeds
- Kids helping bring in soil and buckets (if applicable)
- Kids with seeds in their hands
- Kids watering the garden
- Kids with a blank background like the sky where we can write a quote or stat
- Kids right or left justified
- Kids tasting garden produce
- Kids measuring or weighing their crops

**Adults In the Garden**

Big Green Garden Educators teaching/talking to the group  
Big Green Garden Educators hands on teaching with hands in the dirt
