

# GARDEN COMMUNICATIONS

*Garden Team Invitation  
to Parents: English*

[DATE]

Dear Parents,

This year we are growing a Learning Garden at our school and we need your help!

Here is how you can help:

- Assist with watering, weeding and harvesting the garden over the weekends, holidays and summer vacation.
- Assist teachers in garden-based classes.
- Help out at garden events like planting or harvesting days or classroom performances in the garden.
- Planning around the growing season.

We also need donations of garden tools or supplies such as: hand shovels, buckets, watering cans, salad spinners, bowls, work gloves for kids, etc.

We would love to have you be a part of this amazing opportunity to engage with your student in a culture of healthy eating and outdoor learning. Please reach out with interest to our Garden Team!
