PRESENTATION PREP (40 minutes)

- Have groups present their real food business plans (5-10 minutes per group).
- All students and guests should complete a Scoring Rubric for each presentation.
- Allow time, if available, for questions and answers.

Teacher Notes:

50 minutes may not allow enough time for all student groups to present. Plan accordingly.

Create a professional atmosphere for your students. Encourage students to dress up and invite guests to attend and participate in the judging of each group. Communicate with students what day they are scheduled to present and invite guests to attend either both or one of the presentation days.

You may choose to make this a business plan competition and provide incentives for the top scoring groups. Do so in accordance with your school's policies on classroom incentives.

Standards Alignment:

*See Real Food Lab Standards Alignment for additional details on each standard.
