The Selection of Committee Members 2024

The process for election of two vacant Committee Seats shall be as follows.
1) Selection of Good People (Trusted Selectors): the outgoing Committee members shall select one person from within the DAO to serve as a proxy for the vetting of candidates.

2) Nomination Period: All members of the DAO Community (previously granted & meet current eligibility criteria) shall have the opportunity to nominate themselves for consideration. The nomination form and eligibility criteria can be found at biggreen.org/grantmaking. Community members may encourage other members to apply for the role. The nomination period shall last for 10 days.

3) Review and Recommendation: The Good People (Trusted Selectors) shall review nominees and may reach out to candidates to seek greater understanding in a process of their determination. Each Good Person shall make a recommendation of one candidate to the Community.The Review and Recommendation Period shall last for 7 days.

4) Ratification: Once the candidates have been nominated, the Community and Committee shall have a ratification vote to affirm or refuse the selection. The ratification voting window shall be 7 days.

5) If the recommended candidates are ratified, they shall matriculate to the Committee for a term of three years. If a candidate is not ratified, the process will repeat until a candidate is ratified.
